

## Scholarship Program

### We Believe in Kids

The O2B Kids Founders Club Scholarships are named in the honor of O2B Kids employees who have been with the company for 10 years or more! These dedicated Fun Crew have already made incredible contributions to children and families, and the scholarships are just another way for them to continue to make the world a better place.

Since its inception in 2008, the Founders Club Scholarship program has awarded over \$190,000 in scholarships. This year, we added 4 new scholarships for a grand total of 63 awards in the names of our Founders Club members. This totals \$31,500 in scholarships this year! Each \$500 award will be credited to the recipient's O2B Kids account.
